

Little Adventurers NEWSLETTER

Term: Autumn | Date: Friday 3rd October 2025 | Issue 05

Notices and Reminders

- Our Autumn topic is well underway. Some people have already started on the Home Learning which is very exciting, thank you. We love seeing and hearing what you have been doing.
- Please remember to come to nursery in wellies now and bring an all-in-one for outside play.
- Our staff are asking if you all would please update Blossom now that the majority of children have moved rooms. Blossom currently reflects what you put on for your child when they started rather than now. For example babies moving to Discoverers still have likes and sleep patterns from when they were in the baby room. Updating it would be most helpful for the new keyworkers to know your child's routines and likes.
- Congratulations to Rachel Mayfield (SEnCo) on maternity on your wedding this weekend x

What we did this week

This week in Nursery, everyone was busy with our new topic on Exploring Autumn.

Explorers had a lovely Bilingual session with Lucie on Monday.

Discoverers were treated to a session from Jenny at Baby Band which was amazing.

Wanderers were also treated to a session from Jenny at Baby Band and they loved it.

Voyagers had a fabulous story session at the beginning of the week with Morgan who brought the story of Pumpkin soup to life. They also had Richard for football and Lucie for Spanish. They also ventured off to Forest School on Friday.

TASTE OF THE WEEK

Anna's taste of the week supported Harvest with a focus on breads - a lovely focaccia bread and some bread hedgehogs. Go to Anna's page for more info

Montessori

Montessori believes that nature enriches the life of each child by supporting physical, social, emotional and cognitive development. By increasing a child's interactions with the natural world, Montessori guides and Montessori parents are promoting the child's development as a young naturalist.
