What we did this week

This week we concluded our topic on signs of spring.

We celebrated Easter with an Easter Egg Hunt.

We had a fantastic Easter Bonnet Parade for pre-school. The winners were **Rio** and **Walter**. Well done to everyone for your contributions.

We celebrated our own birthday having opened on 1st April 2025. Happy birthday Little Adventurers.

ACTIVITIES FOR EVERYDAY LIVING

This week the children in Discoverers worked on their cutting skills by cutting strawberries for their snack. Some great skills for some of our youngest children.

Maria Montessori

Celebrating holidays and festivals is a significant and exciting part of the Montessori curriculum, focusing on the traditions and rituals, encompassing celebrations from ethnicities and religions all over the world. Montessori methodology honours the individuality of each and every festival, paying attention to the unique and wondrous manner in which people celebrate events that are important to them

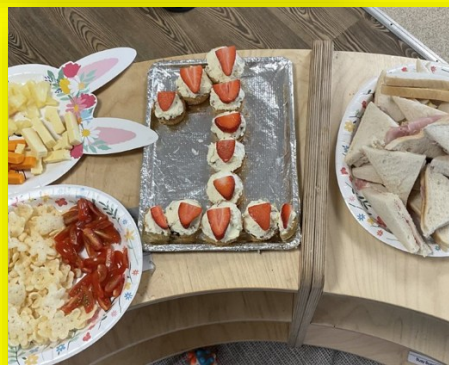

LITTLE EXPLORERS

Our Little Explorers got very messy this week with lots of lovely crafts. They also go to see our lovely chicks that we hatched and were fascinated.

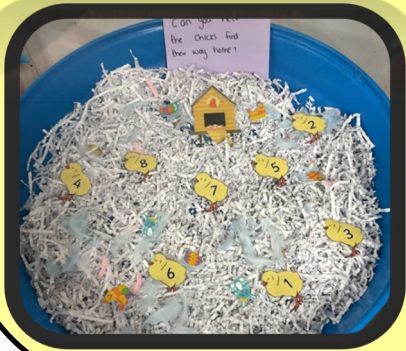

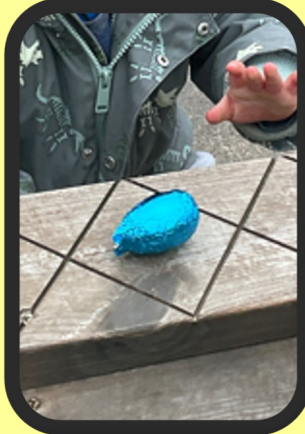

LITTLE DISCOVERERS

This week we continued to look at chicks, eggs and wished ourselves a Happy Birthday!

LITTLE WANDERERS

This week Wanderers held chicks and had an Easter Egg hunt. Well done for finding all the eggs Wanderers.

LITTLE VOYAGERS

Voyagers looked after our beautiful chicks so well. They have now gone home. We also had our Bonnet Parade and our birthday celebration

MONTESSORI IN ACTION

The children continue to wow us with their Montessori work across the setting from our tiny babies to our pre-school children.

ART VENTURERS

This week Art Venturers paid us a visit to deliver a session on Rainbows. What an amazing time we had.
