

Little Adventurers NEWSLETTER

Term: Autumn | Date: Friday 27th March 2026 | Issue 25

Notices and Reminders

- Chicks, chicks, chicks. We have hatched 9 little chicks this week.
- Term ends on Thursday this week at 6pm and returns for term time children on Monday 20th April 2026
- Art Venturers are in on Thursday for pre-school. Please send an old shirt or tee shirt that you don't mind getting messy because they will get messy
- Easter Bonnet Parade for pre-school Tuesday 2pm in the garden. Aaron will let you in. Send your bonnets on the morning labelled please.

What we did this week

This week we continued our topic on Signs of Springs. We continued looking at the life cycle of a Chicken. We hatched our own chicks with our incubator this week. We successfully managed to hatch 9 with some great names like Egg Sheeran, Eggbert, Eggwina

We only have one girl, the rest are boys. If anyone wants any boys please let us know otherwise they will return to the farm on Thursday

ACTIVITIES FOR EVERYDAY LIVING

This week the children in Discoverers worked on lemon squeezing and some rolling pin action. They made some lemon biscuits too.

Maria Montessori

In Montessori maths we support our number recognition using the sandpaper numbers. This tactile resource allows us to make a connection between the written shape and spoken name of each number by giving a muscular impression.

LITTLE EXPLORERS

Our Little Explorers got very involved in our chick life cycle again this week. They explored all things chicks and had an amazing time in the process.

LITTLE DISCOVERERS

This week we continued to look at chicks, eggs and our real chicks in pre-school

LITTLE WANDERERS

This week Wanderers explored eggs and life cycles and all things chicks, including observing our real chicks and holding them.

LITTLE VOYAGERS

Voyagers have explored and experienced the real hatching of our beautiful chicks this week. They have been caring for them very well.

MONTESSORI IN ACTION

The children have worked so hard these past few weeks with their Montessori activities and their independence is shining through

LIFE SKILLS

This week's life skill was a combination of squeezing, spooning and rolling. The Discoverers made lemon biscuits and Voyagers made some biscuits to celebrate Eid.

Themes and activities that we will be focusing on next week

Explorers & Discoverers

Next week we will continue exploring Easter and eggs.

We will have our own little Easter Egg hunt in the garden.

EMPLOYEE OF THE MONTH.

Congratulations to Gemma Thewlis for achieving Employee of the Month for February. Gemma has been working so hard this month on

supporting our children in pre-school. She is always first to volunteer to stay late and go above and beyond to help everyone out. Well done Gemma

Goodbyes and Welcomes

We have said a sad farewell this week to Elli Munro in Discoverers. Elli has gone back to term time working and we will miss her very much.

Jess Guy is moving over from Explorers into Discoverers. I am sure Explorers parents will miss Jess but she is just across the building in Discoverers.

We welcome BillieJo Smith to Discoverers also. BillieJo is degree level qualified and will be working closely with Claire in Discoverers. Please be aware that key persons may change after the Easter break and each room will notify accordingly as some children move rooms.

Wanderers / Voyagers

Next week is our run up to Easter. We will have Easter Egg hunts around the garden.

Voyagers will hold an Easter Bonnet parade
