What we did this week

This week we looked at the story of 'Whatever Next!' about a bear that went to the moon and met an owl along the way.

We also looked at Valentines and all things love and hearts.

Voyagers were treated to a visit from a real life Gritting lorry. They received a presentation and information about why we grit the roads and how to stay safe in snow.

TASTE OF THE WEEK

This week the children grated and tasted carrots.

Joining in with learning the skill of grating they also then tasted their carrots

POLICY INFORMATION

Every so often we will give you information on policy that you may not be aware of, especially if you are just joining us. By now everyone should be aware of the calpol policy in that if you have given your child calpol before nursery they cannot come in.

Another policy you may not be aware of is the sleeping child policy. We cannot take children into nursery who arrive asleep. Children must be awake and coherent entering nursery. This is a safeguarding reason to protect ourselves and your child. If they for example had a head injury before arrival.
